

Call us on 0800 233 5255

Let us help you
regain control of your energy bills

Our Green Doctors can help you:

- Understand your heating systems and how to use them effectively
- Check if you are on the most appropriate tariff with your suppliers
- Access practical tips for how to use your household appliances efficiently
- Advise on your energy habits
- Check for energy supports and discounts

The Green Doctor project is a free advice service helping Kent households stay warm, save more on energy bills and keep the home comfortable. We help you make informed decisions about your energy.

The control you need

The in-home display, offered with your smart meter, shows you the amount of energy you use in pounds and pence, helping you stay on top of your spending.

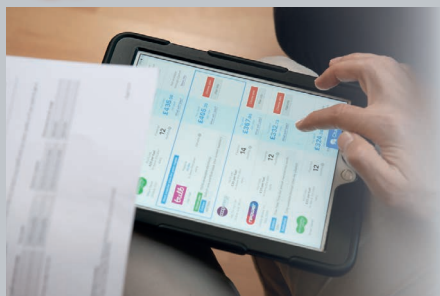

Even better, smart meters enable accurate, not estimated bills.

- Eligibility may vary
- Consumer action required

Tariff and Energy Finance Check

We can help explain tariffs, suppliers, and the energy market. Updates in energy are happening regularly. We can help you understand the best current options for you.

Who is eligible?

Our free impartial advice is available to a wide range of people. Many people are struggling with the national rise in energy prices, please don't wait to reach out for help.

If you have access to the internet filling out an enquiry form is the quickest way to receive a call back. Scan the QR Code to the enquiry form.

Groundwork South is a registered charity No 293705. Our Green Doctors are funded by Energy Redress & BGET.
