I am going to ……. on…../…../…..and I will be raising funds for 21 Together. Our aim is to support people with Down's syndrome, their families and the professionals working with them. We will provide local and accessible training to enable children and adults with Down's syndrome to reach their potential to live full and enriched lives. We believe that people with Down's syndrome, their families and the professionals that support them should be able to access the training, therapy, information and support necessary to ensure those with Down's syndrome live full and varied lives.

We need your help to create opportunities which enable people with Down's syndrome to become full and active members of their community
